A framework-styled invoice

Written with cssMode set to standard.

The masthead's border-bottom names no colour. Standard: it is blue, the masthead's colour. Legacy: it is black. The words "Skip to the invoice" are transparent: in both they leave a gap before the studio's name and are not seen.

Example Studio, invoice 2024-117

The link button's border is transparent, and the primary button's is dark blue: in both, the link button has no frame and takes the same room.
