End tags with whitespace or an attribute before their ">"

A page header and footer ending "</htmlpageheader >" and "</htmlpagefooter" then a newline: "Page header" in blue centred at the top and "Page footer" in orange centred at the bottom, and neither here.

Three stylesheets, ending "</style >", "</style class="x">" and "</style>": no CSS drawn as text, then a blue line and a green line.

Blue text

Green text

A <pre> ending "</pre >": three lines, the third indented.

```
line 1
line 2
    indented
```

A <textarea> ending "</textarea >": a box holding three lines, then an empty box ending "</textarea >".

```
line 1
line 2
line 3
```

A table whose caption ends "</caption >": "The caption" above a table of one cell.

The caption

cell

An inline SVG ending "</svg >", then a line, then another SVG: a red square, "Middle", a blue square.

Middle

An SVG gradient ending "</linearGradient >" whose stops a second gradient borrows: a rectangle shading from red to blue.
