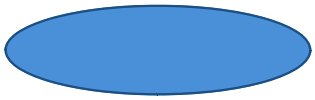
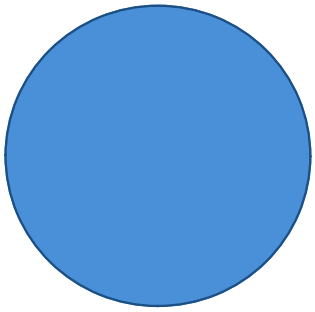
Percentage border-radius on blocks

50% on 40 x 12 mm: an ellipse, 20 x 6 mm at each corner, not a pill.



10% on 40 x 12 mm: corners 4 mm across and 1.2 mm tall.

50% on 40 x 40 mm: a circle.



50% / 10% on 40 x 12 mm: corners 20 mm across and 1.2 mm tall.

border-top-left-radius: 50% 10%: only the top left corner is rounded, 20 mm across and 1.2 mm tall.

3mm: a 3 mm circle at each corner, whatever the box.

50% on a block that breaks across the page: the top corners here and the bottom corners on the next page are each half the height of their part.
