Amendment No. 3 to the Supply Agreement

Written with cssMode set to standard.

Clause 4.2 `[ref 4.2-b]`

The heading is overlined and the code in it sets text-decoration: none. Standard: the heading's line runs over the code too. Legacy: it stops at the code.

The withdrawn clause is struck through in red. Its link and its italic note set text-decoration: none. Standard: both are struck through with the clause's red line. Legacy: neither is struck through.

~~The Supplier shall deliver within fourteen days as set out in the delivery schedule.~~

~~*Withdrawn by agreement of both parties.*~~

Clause 4.3 `[new]`

The inserted clause is underlined in green. Standard: its paragraphs and list items are underlined in the clause's green, the link too, and the floated margin note and the fees table are not. Legacy: the paragraphs and items are underlined, the link is not, and the margin note is.

The Supplier shall deliver within **ten working days** of each order, as set out in the revised schedule.

Margin note: this clause replaces 4.2 from 1 October.

- Orders placed before noon count from that day
- Public holidays are not working days
