mPDF

A contents for the book and one for each part

The contents in front lists every chapter. Each of the three parts opens with a contents of its own that lists only that part's chapters. Every contents is written last and moved into place, so each shifts the pages after it, and the index at the back lists each term on the page it ends up on.

Contents

Chapter 1: Apple 4
Chapter 2: Banana 5
Chapter 3: Cherry 6
Chapter 4: Dill 8
Chapter 5: Endive 9
Chapter 6: Fennel 10
