Page 1 (right): the third body row of this table has page-break-before: right. Page 2 is a left page, so it is left blank and the third row starts page 3 under the repeated header, with the footer drawn on pages 1 and 3 only.

Heading, on pages 1 and 3	Second heading
Page 1: first body row	Second cell
Page 1: second body row	Second cell
Footer, on pages 1 and 3	Second footer cell

Heading, on pages 1 and 3	Second heading
Page 3: third body row, under the repeated header	Second cell
Footer, on pages 1 and 3	Second footer cell

Page 3 (right): the second row of this table has page-break-before: left, so it starts page 4, the next left page. Its last row has page-break-after: always, which ends the table's page, so the paragraph after it starts page 5.

Page 3: first row

Page 4: second row, at the top of the page
Page 4: last row, with page-break-after: always

Page 5 (right): this paragraph follows the table above. The table below has a tfoot, and its last body row has page-break-after: right, so page 6 is left blank and the paragraph after the table starts page 7.

Page 5: first row
Page 5: last body row, with page-break-after: right
Page 5: footer

Page 7 (right): the paragraph after the second table.
