url() in a stylesheet

url("img/bay eux.jpg"), with a space in the file name: the tapestry fills the box.

url(img/bay%20eux.jpg), with whitespace inside the parentheses: the same tapestry.

Bootstrap's form-select arrow, an SVG data URI with single quotes inside double quotes: a dark chevron at the right of the box.

Choose

The same SVG with double quotes inside single quotes: a large chevron in the middle of the box.
