Tables inherit from the block around them

color: #c00000 and font-family: monospace on a div. The table's cells are red and monospaced.

First cell	Second cell

- font-size: 14pt and a blue colour on a list item. The table's cells are 14pt and blue.

14pt	blue

font-size: 20pt on a div, and font-size: 50% on the table in it. The cells are 10pt.

10pt	10pt

font-size: 20pt on a table, and font-size: 1rem on its second cell. The second cell is 11pt, the size of html, which no rule sets.

20pt	11pt

line-height: 2.5 and text-align: right on a div. The cells' lines are 2.5 apart, and the th and the td are aligned right.

Header	First line Second line

text-align: right and line-height: 2.5 on a cell holding a nested table. The nested th and td are aligned right, and the td's lines are 2.5 apart.

	Nested header	First line Second line
