box-shadow

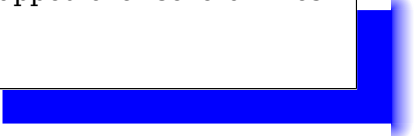

rgba() written without
spaces

A white rectangular box with a red drop shadow. The shadow is positioned to the right and below the box, with a slight blur.

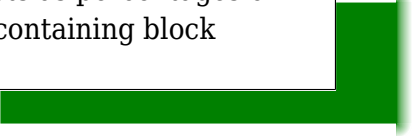

rgba() written with spaces

A white rectangular box with a red drop shadow. The shadow is positioned to the right and below the box, with a slight blur.

wrapped over several lines

A white rectangular box containing text wrapped over two lines. It has a blue drop shadow positioned to the right and below.

offsets as percentages of
the containing block

A white rectangular box with a green drop shadow. The shadow is offset to the right and below by a percentage of the box's width and height.

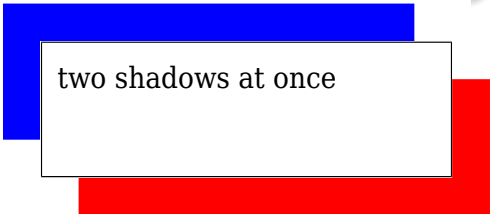

blur and spread

A white rectangular box with a dark blue drop shadow. The shadow has a significant blur and a spread effect, extending further to the right and below.

inset

A white rectangular box with a dark grey drop shadow. The shadow is an inset shadow, positioned to the left and above the box.

two shadows at once

A white rectangular box with two drop shadows: a blue one to the left and a red one to the right and below.
