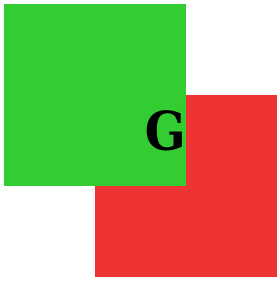
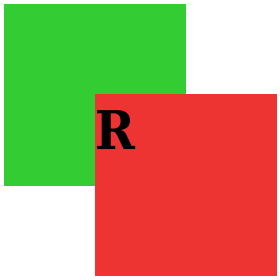
Fixed: drawn at the top right of every page

position: fixed and z-index

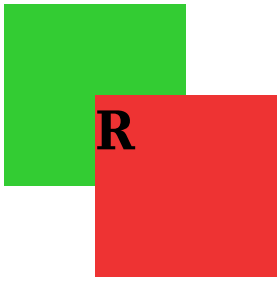
Each page should have the lilac banner "Fixed: drawn at the top right of every page" in its top margin, at the right.



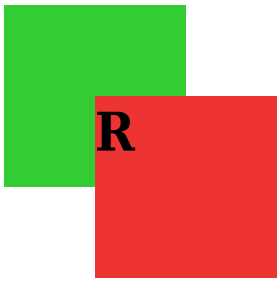
Green z-index: 5, red none: green and its G are over red.



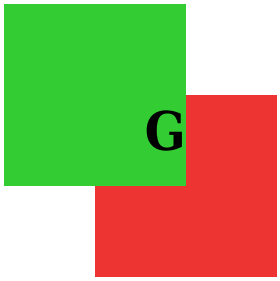
Green z-index: 0, red none: in document order, red and its R over green.



Green z-index: auto, red none: in document order, red and its R over green.



Both z-index: 5: in document order, red and its R over green.

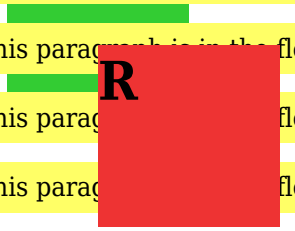


Green z-index: 6, red z-index: 5: green and its G are over red.

Fixed: drawn at the top right of every page

z-index below 0

Green z-index: -1, red none: the yellow paragraphs and their text are over green, which shows between them, and red is over them.



This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

This paragraph is in the flow of the page, and its yellow background is over the green square.

Fixed: drawn at the top right of every page

A page of its own

This page should have the banner too, and nothing else.
