Spaces inside an attribute value

Text fields, each showing its value with the gaps as written: one, three and six spaces.

one space

three spaces

six spaces

A text field holding a total aligned with spaces: "Total:" and "42" with five spaces between them.

Total: 42

Text between tags written with runs of spaces, still drawn with one space between each word.

collapsed to single spaces

A pre block keeping its runs of spaces.

```
kept     as     written
