One side, and a colour function first

A 1mm dashed blue line under the text only.

border-bottom: dashed blue 1mm

A 1.5mm double green border on all four sides.

border: rgb(0 128 0) 1.5mm double

Table cells and inline text

Each cell has a 1mm solid blue border. The word "boxed" has a 0.5mm dotted red border.

solid 1mm #3366cc	solid 1mm #3366cc

Text with a boxed word.

A border that is not a border is dropped

border: 1px solid bogus is dropped, so the 2mm solid red border of the earlier rule stays.
