Colour values

Hex colours with an alpha

background: #f008, red at 53% opacity, across a block that is black on the left and white on the right: dark red on the left, pink on the right.

background: #0000ff80, blue at 50% opacity: dark blue on the left, light blue on the right.

Channels outside their range

rgb(255.5, 0, 0) and rgb(300, -20, 0) are clamped to red. Both lines are red.

rgb(255.5, 0, 0) is red

rgb(300, -20, 0) is red

rgba(0, 0, 255, 1.5), an alpha above 1, is clamped to 1: opaque blue across both halves.

Named colours

rebeccapurple is purple, and violetred, which mPDF has long accepted, is still pink.
