A tag inside an attribute value

A title holding "<!--", then a real comment: three lines, "Before", "Middle" and "After".

Before
Middle
After

A title holding "<script>", then a real script: three lines, "Before", "Middle" and "After".

Before
Middle
After

Text fields, each showing the tag in its value as written, after the label:

comment: a <!-- b --> c

br: a
b

wbr: x<wbr>y

dottab: a <dottab> b

empty row: <tr></tr>

caption: <table><caption>c</caption></table>

symbol runs: </tts><tts>

Real tags still rewritten: "Line one" and "Line two" on two lines, then a table with the caption "The caption" above it.

Line one
Line two

The caption

cell
