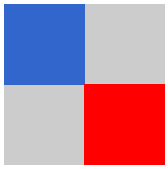
Elements nested inside another of the same name

An SVG holding another SVG: a grey square with a blue square in its top left corner and a red one in its bottom right, then "After".



After

A table with a table in its first cell and its caption at the bottom: "Inner" and "Outer" side by side in a bordered table, "The caption" below the whole table.

Inner	Outer

The caption

A table with a captioned table in its first cell: "Inner" with "The inner caption" above it, beside "Outer".

The inner caption Inner	Outer
